**PETITION TO WITHDRAW HOLDING OF ABANDONMENT
UNDER MPEP 711.03(c)(I)(A)**

Sir:

Applicant hereby submits this Petition to Withdraw Holding of Abandonment of this application. This application became abandoned on July 11, 2005 for failure to respond to the Official Action issued on January 11, 2005. Such Office Action was not received in this office, nor has the Notice of Abandonment been received.

On August 5, 2005, Examiner Hendrickson called the undersigned, Ross Spencer Garsson, the attorney for this application to determine if the abandonment of this application was intentional. Mr. Garsson accessed the docket system to review the status of this application and advised Mr. Hendrickson that no Office Action had been received and that the last action on the

docket for this matter was the filing of a Response to the May 28, 2005 First Office Action concurrently with a Petition for Two-Month Extension of Time to Response on October 28, 2004. Mr. Garsson then accessed the PAIR system and printed a copy of the January 11, 2005 Office Action and forwarded it to the assignee's exclusive licensee for review. Attached as Exhibit A is a copy of this correspondence to the representative of assignee's exclusive licensee.

Attached as Exhibit B is a true and correct copy of Applicants' docket sheet dated August 8, 2005 showing where an Office Action and the Notice of Abandonment would have been docketed had one been received. As reflected therein, Applicant's docket sheet shows no such receipt of an Office Action or Notice of Abandonment for the application. This docket sheet reflects that our Docket Coordinator docketed a Petition to Revive on this matter for October 1, 2005.

Attached as Exhibit C is a copy of Pages 25 and 72 from our Monthly Docket Report that was run from our docket system on July 1, 2005. Page 72 includes the criteria under which this report was run, which was for all Action Items that had not been completed through October 31, 2005. The bottom left corner of Page 72 includes the date on which this docket was saved to our computer system, which was July 1, 2005. If the Office Action had been received, it would have appeared on Page 25 of this report, under the due date of July 11, 2005. Note that we have redacted client confidential information from this sheet.

Applicant hereby states that the Office Action was never received at either the correspondence address specified on the January 11, 2005 Office Action, Hugh R. Kress, Winstead Sechrest & Minick P.C., 22400 Bank One Center, 910 Travis Street, Houston, Texas 77002 or at the current address of record, Winstead Sechrest & Minick P.C., P.O. Box 50784,

Dallas, Texas 75201.¹ Applicant further states that both of these are, and were, valid and acceptable mailing address for the U.S. Postal Service at the time the Office Action was issued by the U.S. Patent and Trademark Office.

The Attorney of Record also states that a complete and thorough search was made of the files and the Attorney's offices in order to determine if an office letter had been received. No such communication was found nor was a docket record found indicating that the communication had been received.

For the foregoing reasons, Applicants respectfully request that this Petition be accepted, the application be revived and that the Office issue a new Office Action in this application. If the examiner has any questions regarding this Petition or any other matter, the examiner is requested to contact the undersigned attorney for Applicant.

It is believed that no fees are due for this Petition. However, if any fees are due, the Director is hereby authorized to debit all fees due to the Deposit Account of Winstead Sechrest & Minick P.C., Deposit Account No. 23-2426.

Respectfully submitted,

Date: August 19, 2005
